EndNote

Eligible: Students, Faculty & Staff

Availability: 24 Hours, 7 Days

Support: Monday - Friday, 8:00 a.m. - 6:00 p.m.

ENDNOTE®

Description

EndNote is an online search and bibliographic organization tool. It is available for both Windows and Mac computers. You can obtain support information by visiting <http://www.endnote.com/support/ersupport.asp>

Licensing

- Students, Faculty & Staff: The University has entered into an agreement with Thomson Reuters for the use of EndNote. The software will be available to the University community for the duration of that agreement.

Costs

- There is no cost to use this software.

EndNote Desktop: Downloading from UMIT website

You can also find EndNote directly from the UMIT Website, from the Services & Products tab:

<http://it.miami.edu/services-and-products/index.html>

The screenshot shows the University of Miami Information Technology website. The header includes the UMI logo and the text "INFORMATION TECHNOLOGY". A search bar is located in the top right. The navigation menu has "Services & Products" highlighted in orange. Below the menu, there are three main sections: "Network & Voice", "Software", and "Third Party Applications". Each section has a brief description and a "Learn More" link. An arrow points to the "Software" section.
